Dear Incoming Kindergarten Parents/Guardians,

I want to take this opportunity to welcome you to the Wayland Public Schools! It is hard to believe that we are already planning towards September and the start of a new school year. Enclosed you will find information regarding the BASE (Before and After School Extension) Program. BASE provides a recreational environment consisting of arts, crafts, sports and games, language arts, science, cooking and creative play activities on a daily basis. There are many options available to you. BASE at Loker runs five days per week and is led by our Site Coordinator Jennifer Rice. You have the option of signing up for BASE starting from 12:20 which is the end of the Traditional Kindergarten day. There are three pick-up times available for you: 2:45, 4:30 and 6:00. (1:35 instead of 2:45 on Wednesdays) Should you choose to enroll your child in Full Day Kindergarten, then you can still choose to sign-up your child for BASE starting at 2:45 (1:35 on Wednesday) until either 4:30 or 6:00.

BASE has a 2-day minimum and its tuition varies based on the numbers of days and times enrolled. Please see enclosed rate sheet for more specific information. The deposit for the BASE Program is \$100 and the deposit and registration forms are due by **Friday March 25th**. If you have any questions about this process, please do not hesitate to contact me at (508) 655-6404. Hope that your preschool children enjoy the rest of the school year. See you in the fall.

Sincerely,

Brian Jones  
WSCP Director
